

Peel™ Club

1

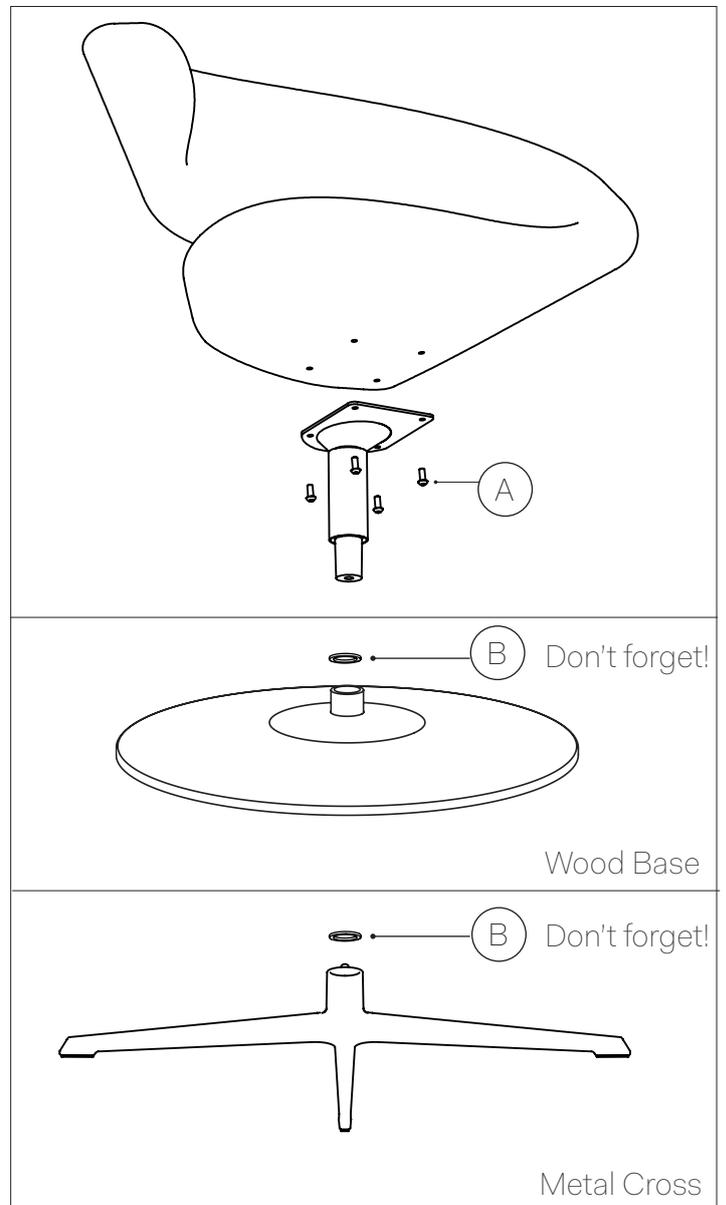

Wood Base:

Place the floor protection on wood prio to assembling the chair and base.
Do not use on carpet!

Place the floor protection 1 cm from the edge.

Avoid placing the chair base on its edge during assembly or moving!

2

**NOTE:**

Stains on metal parts may be removed by using a dry, soft cloth.

On difficult stains, apply some dish soap water on the cloth, and afterwards dry with a soft cloth.
